

MAREDO MT424 VibeSpike-Seeder

Working width:
190 cm / 75"

- Fescue/ Rye: MT424 VibeSpike-Seeder
- Agrostis/ Bentgrass: MT420 VibeSpike-Seeder

Need healthier and more resistant Turf?

The MAREDO MT424 VibeSpike-Seeder helps reaching that goal! The unique design helps planting the seed, helping it to germinate in a safe environment. Vibratory spike sections create a pattern of dimples. Right behind it the seeds are dropped by the dosing shaft. A brush will help the seed to reach the dimples.
